

Alfredo Maussa

is awarded this **Deep Learning Engineer** certificate in recognition of their skills.

Workera evaluates skills used by machine learning engineers, data scientists, and software engineers in their work. It is designed to assess a candidate's ability to perform tasks such as data engineering, modeling, deployment, business analysis, and AI infrastructure rather than test for knowledge.

For more information about the test, please refer to www.workera.ai.

Verified Certificate ID: GFZSEJ60

*Percentiles are used to compare all candidates who have completed Workera tests.

TEST PERFORMANCE			
Section	Ability	Proficiency	Percentile Rank*
Deep Learning	71	Accomplished	91%
Mathematics	99	Accomplished	99%
Software Engineering	55	Developing	61%
Algorithmic Coding	79	Accomplished	86%
Data Science	57	Developing	69%
Machine Learning	52	Developing	60%
AI Literacy	64	Accomplished	36%

What kind of AI professional are you? Take our [skills-based test](#) to find out.
